Please attach a map of the school with the following:

- Use red dots to indicate the location of all computers
- Use blue dots to indicate the location of peripheral devices (i.e. printers, scanners, etc)
- Highlight rooms in yellow to indicate location of operational Internet connections and/or the rooms at the school that are connected to the Internet. Use a numeral to indicate the number of functional Internet connections in each room

Example: This room has four computers, one printer and six functional Ethernet drops.
